The Board received written comment from Dr. Kenneth Martin in support of the Board's proposed regulation. Mr. Martin also recommended that the Board include language that specifies that Letter of Admonishments issued be placed on the Board's web site under Disciplinary Actions.

Response:

This comment of support was accepted by the Board and considered in the adoption of the proposed action.

The Letter of Admonishment provides the Board with an informal method of enforcement for minor violations and is not considered discipline of a license. Therefore, the Board did not consider this recommendation in the adoption of the proposed action.
